The Intention Architect Privacy Policy

Effective Date: November 1, 2025

Last Updated: November 1, 2025

At The Intention Architect, our goal is to deliver clarity, value, and seamless coordination for your travel and retreat experiences.

Because our work involves personalized consultation, research, and digital content delivery, all fees paid to The Intention Architect are final and non-refundable.

1. IA Service Fees

Once payment is received, planning and consultation begin immediately.

Our services — including travel planning, itinerary design, retreat coordination, and digital content — are considered rendered once confirmed.

Accordingly, no refunds or credits will be issued.

2. Vendor Bookings

When we assist with vendor arrangements (such as flights, accommodations, or retreat bookings):

Bookings are made directly between you and the vendor.

Each vendor's payment, refund, and cancellation policy applies independently.

The Intention Architect is not responsible for vendor refunds, delays, or cancellations.

3. Event or Trip Changes

If a vendor modifies or cancels a service, The Intention Architect will support communication and coordination efforts but bears no financial liability or obligation to refund.

4. Exceptional Circumstances

In the rare event The Intention Architect cancels a service (e.g., due to force majeure), a credit or partial refund may be offered at our discretion.

5. Acknowledgment
